Introducing MTN MyChoice

More conversations, less complications.

Simplicity and cellphone packages don't really go hand in hand, do they? At MTN, we've managed to change that, and we're proud to introduce the easiest alternative available to getting a cellphone package that is right for you. With MTN MyChoice, you pick your phone, your airtime bundle, your SMS bundle and your data bundle. It's that simple.

What are MyChoices?

Choice of handset

You can select a handset of your choice from a wide range of available handsets at any of our MTN Service centres. Visit us in Mbabane (Nedbank Building) and Manzini (Riverstone Mall) for more details.

MTN airtime bundle

This allows you to choose from 200 to 1000 minutes per month and pay from as little as E190. This is dependent of your choice of contract.

MTN data bundle

Depending on your data consumption, this allows you to choose from 75MB to 1GB per month and pay from as little as E40.

MTN SMS bundle

Your choice of SMS bundles depends on your use of SMS, the bigger the bundles, the cheaper it gets.
